

Little Learners Newsletter 4th August 2017

Senior Nursery Business Support Administrator

Hello, my name is Katie Bebb. I am very happy to have been appointed the new Senior Business Support Administrator for Little Learner's Nursery.

From a very young age I knew I wanted to work with children and I have worked in childcare since I left college in 2005. I have worked in nurseries with babies aged 6 weeks old to children up to the age of 5. I had many years working at a 'hands on' level and more recently the knowledge and experience I have gained over the years has meant my role developed to being involved in the running of the nursery and carrying out an administrative role. I am really passionate about my job and I look forward to developing my knowledge and skills further at Little Learners.

I am privileged to have been given the opportunity to become part of the St. Anne's and Little Learners 'crew' I am looking forward to being part of the developing nursery and School. I love the school motto "learn to love and love to learn" and believe that young and old can learn from one another within a

'learning without limits' framework.

Both my parents were teachers and it has always been an ambition of mine to work in a school environment, and now here I am!

I live in Locking with my husband and two children, Louis who is almost 3 and Poppy who is 7 months old. With young children myself I can appreciate the worries and concerns parents may have. I look forward to meeting and working with you and your families. Please come and say hello!

Nursery Uniform

During summer 2017 NK Sports will be introducing polo t-shirts with an embodied logo in the three Nursery colours. These will be available alongside the current embroidered hoodies. Embroidered Nursery bags will also be available.

There is stock of the current crew neck t-shirts and printed bags available in our school office at a discounted rate of £4. Please purchase these directly from the school office using cash only.

Learning diaries for pre-school leavers

Please look out for an email which will arrive during your Little Learners last week to inform you that your child's Tapestry learning diary is ready to download. If you have any questions or difficulties please do contact us and we will do our best to help.

Nursery painting

During the school summer holidays Nursery will be receiving its annual paint refresher. This means our Little Learners will be using a different classroom for a day or two whilst the work is carried out. We have been told this will be taking place at some point during the week commencing 14th August...more details will follow.

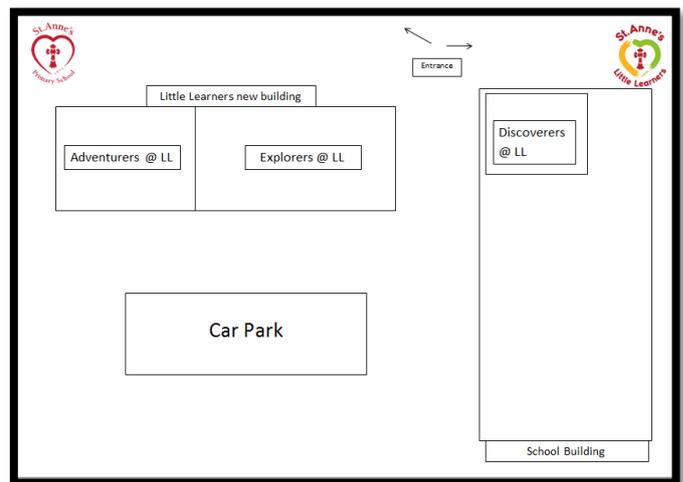

Classroom names

Our new building will be opening on 4th September 2017, this means Little Learners will operate across three Nursery classrooms. Each Little Learner will be allocated their own classroom and key person just as they currently do, however it is necessary to name the classrooms to ensure children and their families know where to go. Our three classrooms will be called;

Explorers @Little Learners

Discoverers @ Little Learners

Adventurers @Little Learners

Funding for September

Thank you and well done to those families who have been able to successfully access their 30 hour code. We understand that the process can be time consuming but it is vital that we receive them. There is a link to the Childcare Choices website on our school website if you are unsure where to go.

We also require your national insurance number which will be used to check your eligibility for the 30 hours funding, please send these in as soon as possible with your eligibility code.

Toys from home

We appreciate that your Little Learners are sometimes excited to bring toys to show their friends and it can encourage them to settle quickly into Nursery. We must request that children don't bring any belongings that are particularly special, valuable or cannot be shared with their friends. The Nursery Crew cannot maintain responsibility for items children choose to bring from home.
