

Little Learners Newsletter

13th April 2017

We hope you are aware of the upcoming news relating to Primary School places! Don't forget that you will find out before we will, so please do let us know where your child is allocated a place. Here is the link which confirms that you will be notified on Tuesday 18th April.

We request that parents/carers let us know in writing when their child will be leaving Nursery ASAP.. Please note even if your child will be attending St Anne's School (@West Wick or @Hewish) we will still require your child's Nursery leave date in writing, an email is acceptable. The last possible date Little Learners can attend until is Thursday 31st August 2017.

Green Exit Button

As part of our safeguarding commitment please can we ask that when you are leaving Little Learners that you make sure that the green exit button is only used by you and not allow a child to use this. The exit button is for adult use only. In order to safeguard all children attending Little Learners, the Nursery Crew need to authorise all adults into the Nursery.

Sainsbury's Kids Vouchers

Right now we're in the voucher collection phase of Active Kids 2017. From 25 January to 2 May 2017, parents and the community can collect vouchers when shopping at Sainsbury's stores and petrol stations (where you can collect double), and then drop them into one of the collection boxes in the foyers at both of our campuses. Once all vouchers have been collected, we can exchange them for brand new sports and cooking equipment.

Download free library e-books

If you are a member of North Somerset Libraries there are now thousands of e-books available that can be downloaded for free on your smartphone, tablet or computer. It is free to join the library and North Somerset library users can download up to five e-books and 15 e-audio books at a time

through the One Click Digital app. Books can be downloaded for 21 days but can also be returned early or renewed. They will be automatically deleted after the loan period. To sign up, search for the One Click Digital app on your smartphone or visit

<http://somerset.oneclickdigital.eu>.

You need to be a library member to register and enter your library number as well as choosing a username and password. Once registered you can start browsing and downloading books (using 'librarieswest' as the name of the library).

Beautiful sunshine

We are pleased to be welcoming some lovely sunny days as the term progresses.

This means we need to think about protecting our Little Learners from the sun.

If it's a beautifully sunny day, please can we ask that parents send their Little Learner to Nursery with **all day water resistant** sun protection already applied. For those children attending a Short or Full day, please also provide all day water resistant sun block in your child's bag and a member of the Nursery Crew will reapply after lunch.

All children should be provided with a sun hat for outdoor play. We recommend wide brimmed hats or caps with neck protection to ensure they are fully protected from the sun.

We kindly request that all items are clearly labelled with your child's name.

If you have any spare hats at home that you no longer have a use for, we welcome them at Nursery to keep as spares. Thank you!
